

## ☆StarCloud

You Can Take Me Higher, Scorching heatwave!

I Will Take You Higher To the other side, StarCloud!

A comet drops its needle, breaking the night. A sorrowful sound  
echoes through the city where you sleep

As the comet's trail stretches and the city melts into light. It's about  
time—let's begin!

You Can Take Me Higher, Scorching heatwave!

I Will Take You Higher, To the other side, StarCloud!

You Can Take Me Higher  
焼き尽くす HeatWave!

I Will Take You Higher  
向こう側へ StarCloud!

彗星が針落とし 夜が割れ  
君が眠る街に響いた 悲しき音

彗星の軌跡伸びて 街が光に溶けたら  
そろそろ時間だ 始めようよ！

You Can Take Me Higher  
焼き尽くす HeatWave!

I Will Take You Higher  
向こう側へ StarCloud!
